# Key Topics

- SAMHSA 101 and Priorities
- Why, How and When to Use SAMHSA Resources  
PA and local examples
- The importance of implementing your ideas

# Promoting Recovery and Saving Lives

**Why**

When

How

*Goal: Understand the WHY WHEN AND HOW to use resources on SAMHSA.gov and how your critical role - to understand and meet the needs of individuals with mental health and substance use disorders - will improve and save lives.*

*You can decrease the worry – trauma - and possible death of your loved ones or the individuals you serve, by taking advantage of the wide array of resources.*

# Overdose Deaths Exceed 100,000

Source: National Center for Health Statistics/Centers for Disease Control and Prevention. *Vital Statistics Rapid Release Provisional Drug Overdose Death Counts*, available at <https://www.cdc.gov/nchs/nvss/vsrr/drug-overdose-data.htm> (January 2022).

# Fentanyl Is Driving U.S. Drug Overdose Deaths

# Most Overdose Deaths Involve One or More Illicit Drugs

## Co-involvement of other substances in drug overdose deaths involving Illicitly Manufactured Fentanyls (IMFs)

|  |     |
|--|-----|
| Illicitly Manufactured Fentanyls only*               | 40% |
| Rx opioids   | 15% |
| Heroin   | 20% |
| Any opioid (not Illicitly Manufactured Fentanyls **) | 30% |
| Methamphetamine                                      | 20% |
| Cocaine  | 28% |
| Any stimulant***                                     | 42% |
| Benzodiazepines                                      | 15% |
| Gabapentin   | 5%  |
| Xylazine   | 5%  |

\*Includes fentanyl and fentanyl analogs, \*\*Includes heroin, prescription opioids, and other illicit synthetic opioids, \*\*\* Includes cocaine, amphetamines, cathinones, and other central nervous system stimulants (e.g., atomoxetine, caffeine).

The 10 most frequently occurring opioid and stimulant combinations accounted for over 77% of overdose deaths

Buprenorphine and methadone are included as prescription opioids; however, they are used both for treatment of pain and for treatment of opioid use disorder. Fewer than 3% of deaths involved buprenorphine, and fewer than 4% of deaths involved methadone, across jurisdictions.

SOURCE: State Unintentional Drug Overdose Reporting System (SUDORS), 40 jurisdictions, 2020

# 2021 Average Monthly Percentages of top ten drugs for ED visits

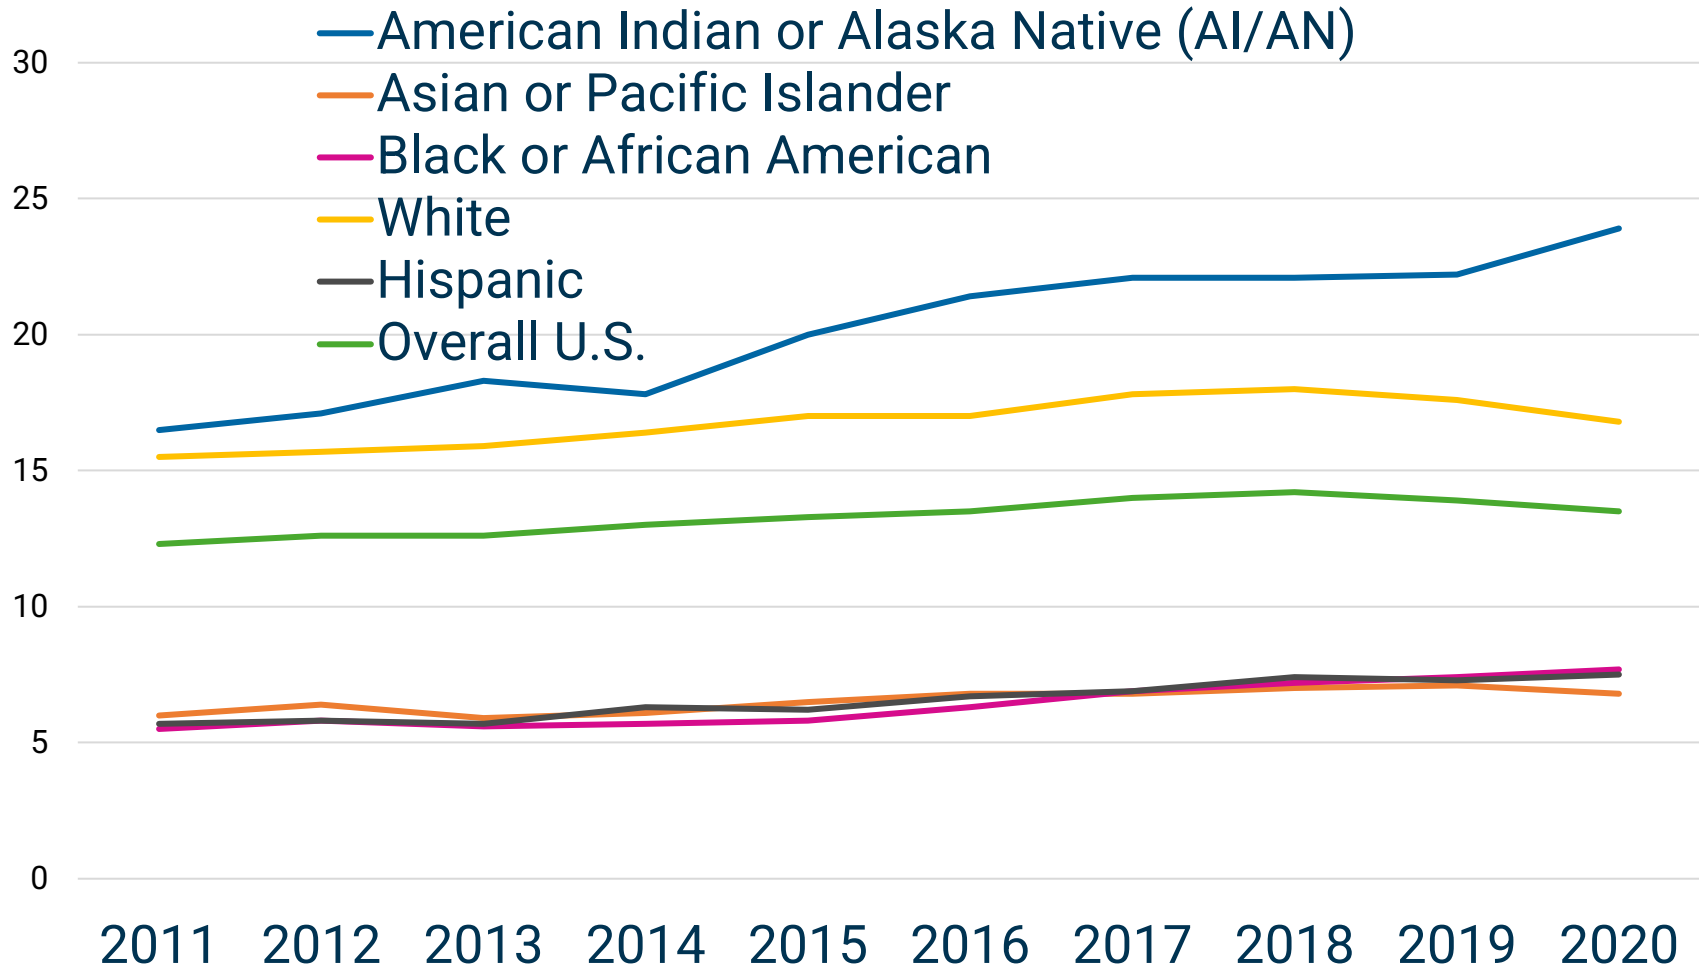

| Drug               | Average percent |
|--------------------|-----------------|
| Alcohol            | 50%             |
| Methamphetamine    | 17%             |
| Marijuana          | 10%             |
| Cocaine            | 9%              |
| Heroin             | 5.5%            |
| Fentanyl           | 5%              |
| Narcotic Analgesic | 3%              |
| Drug Unknown       | 3%              |
| Amphetamine        | 1%              |
| Alprazolam         | 1%              |

Center for Substance Abuse Prevention

Center for Substance Abuse Treatment

Miriam Delphin-Rittmon, Ph.D.,  
Assistant Secretary for Mental  
Health and Substance Use

## Mission

Reduce the impact of substance use  
and mental illness on America's  
communities

Behavioral Health is  
Essential to Health

Prevention Works

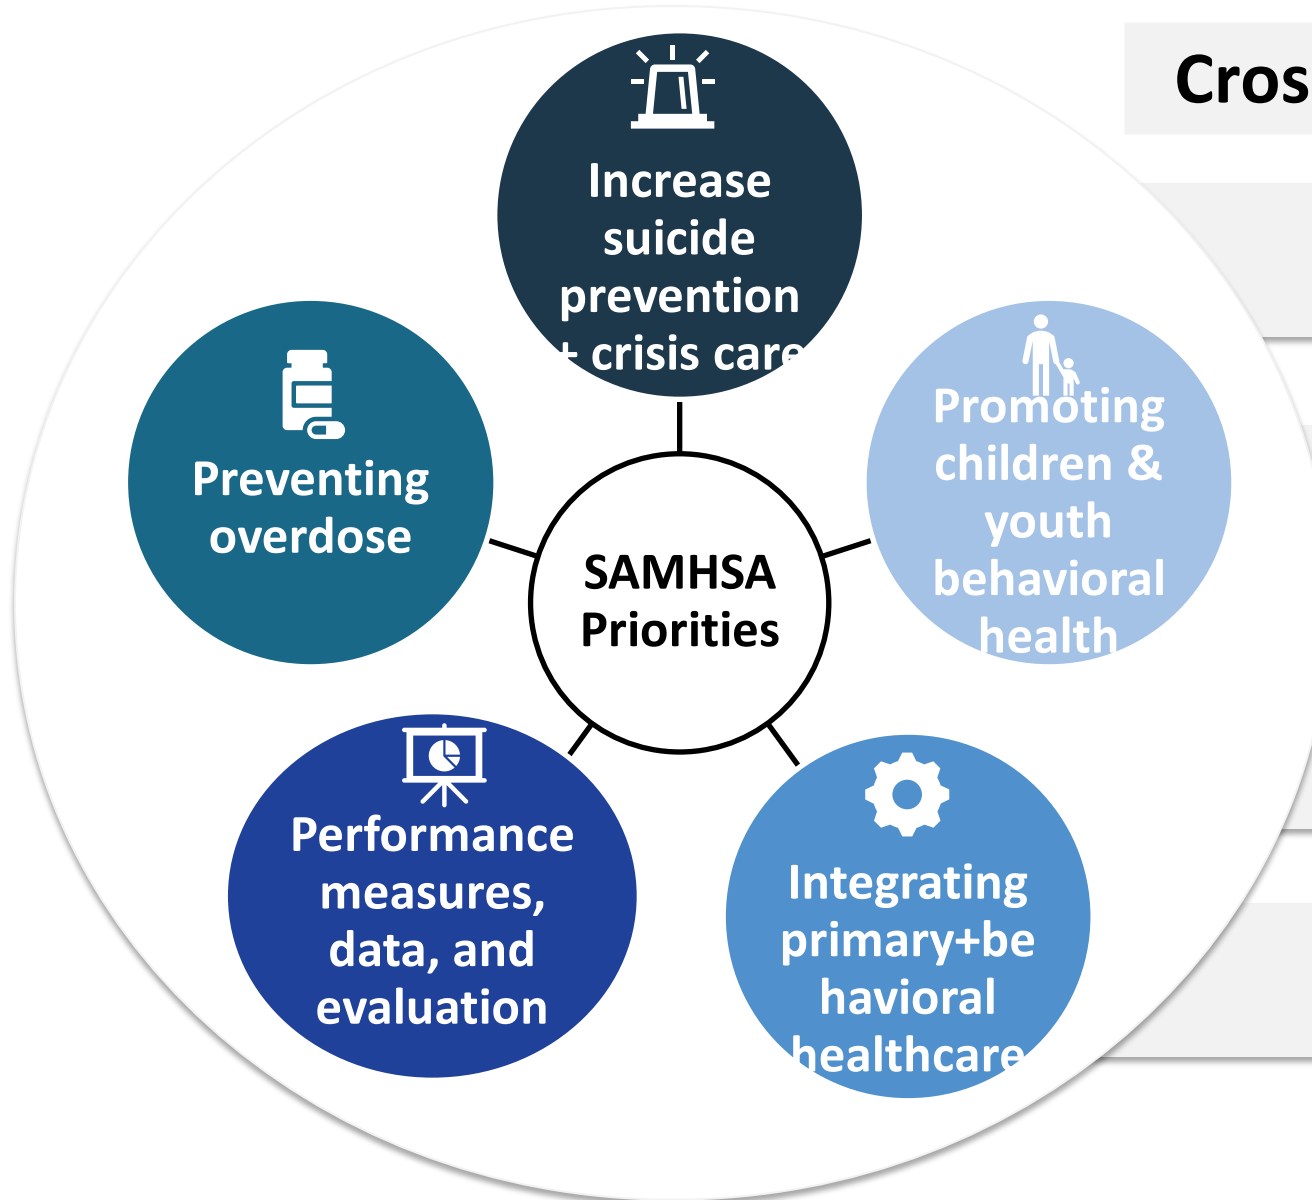

Treatment Is Effective

People Recover

# SAMHSA Priorities and Cross-Cutting Principles

40.3 Million reported an SUD (2020)

52.9 Million had any mental illness (2020)

**Cross-cutting principles**

**Equity**

**Workforce**

**Financing**

**Recovery**

# The 4 Elements (4Es) of a Modern Prevention System

## Early Action

*Act early in the risk trajectory across the lifespan and along the continuum of care.*

## Easy Access

*Create and sustain barrier-free access to prevention resources and services.*

**SUD  
Prevention  
System**

*Develop and support opportunities for everyone to achieve optimal health.*

*Deliver resources and services responsive to local needs and based on comprehensive data.*

## Equitable Opportunities

## Effective Delivery

# SAMHSA Pennsylvania Funding Awards

## Grantee: YOUNG MENS CHRISTIAN ASSOCIATION OF GREATER SCRANTON

**Program:** Community Funded Project – FY 2022 CDS Project

**City and State:** DUNMORE, PA

**FY 2022 Funding:** \$1,836,730

**Project Period:** 2022/09/30 - 2023/09/29

“YMCA’s Mental Health Substance and Use Disorder Treatment Services, Including Wraparound Services.” serves the Greater Scranton YMCA, Wilkes-Barre Family YMCA, Greater Pittston YMCA, Freeland YMCA, Greater Carbondale YMCA, and Wayne County YMCA, which are located in Wayne, Lackawanna, and Luzerne Counties and also serve residents of Pike County.

## Grantee: COUNTY OF LUZERNE

**Program:** Grants for Expansion and Sustainability of the Comprehensive Community Mental Health Services for Children with Serious Emotional Disturbances (also known as Children’s Mental Health Initiative)

**City and State:** WILKES-BARRE, PA

**FY 2022 Funding:** \$1,000,000

**Project Period:** 2020/08/31 - 2024/08/30

## Grantee: LACKAWANNA COUNTY GOVERNMENT

**Program:** Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts

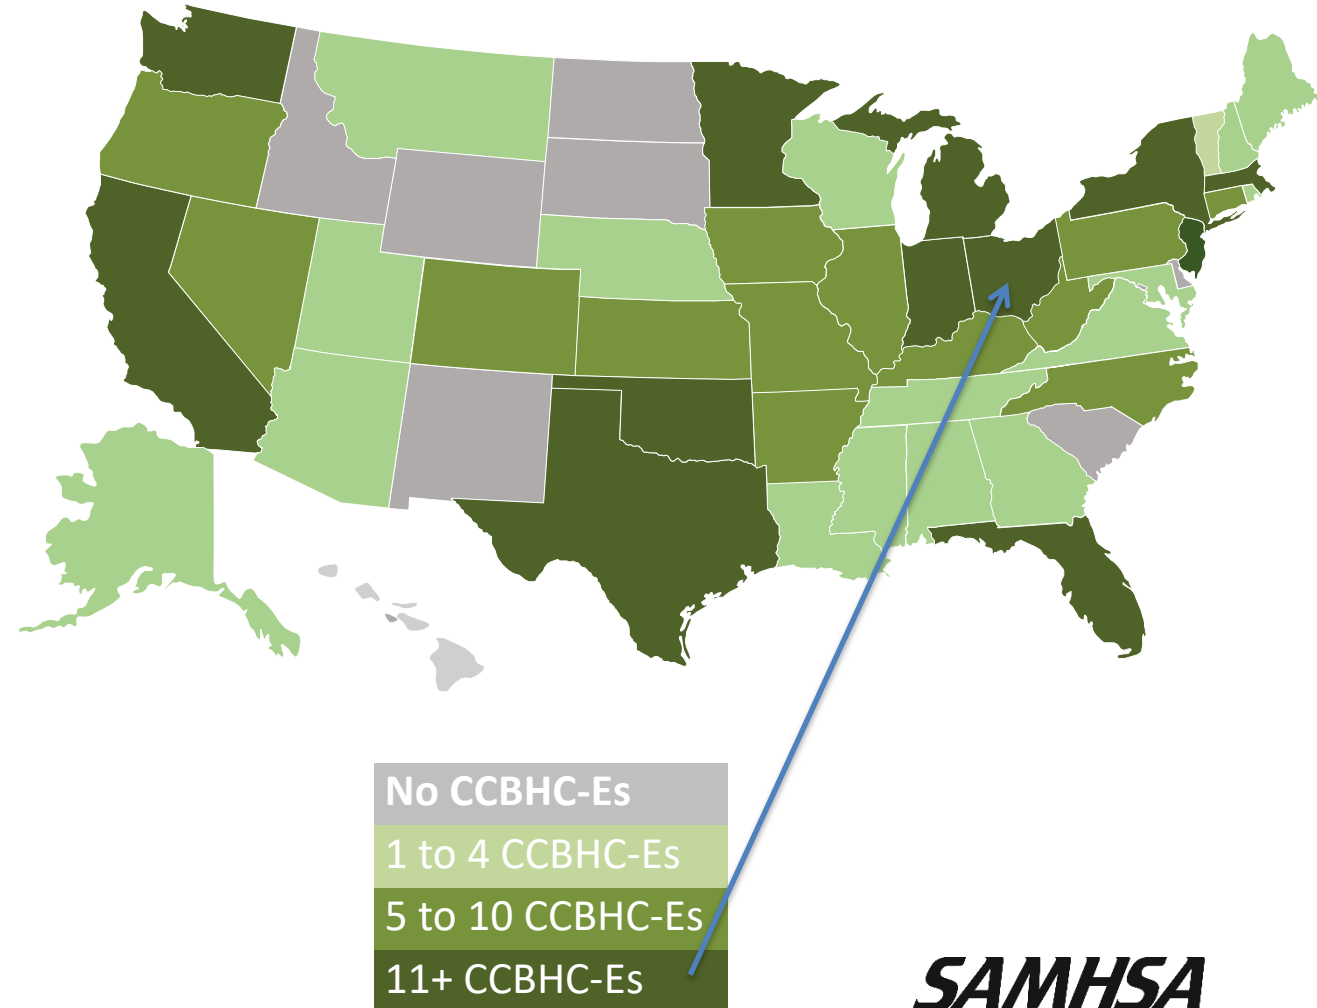

**City and State:** SCRANTON, PA

**FY 2022 Funding:** \$399,999

**Project Period:** 2020/07/30 - 2025/07/29

# Certified Community Behavioral Health Clinics

- CCBHCs must meet a minimum standard for access to MH/SUD services, including increased capacity to respond to MH+SUD crises
- 9 required services, incorporating evidence-based practices and other supports based on a community needs assessment
- Three CCBHC types:
  - Medicaid Demonstration
  - SAMHSA CCBHC Expansion Grants
  - Independent State Programs

# Impact of CCBHCs

Between baseline  
and most recent  
interview

- **Health:** A **26% increase** in overall health.
- **Functioning:** **58% of adults had an increase** in functioning in everyday life from baseline to most recent interview.
- **Psychological Distress:** A **31% decrease** in the number of consumers reporting serious psychological distress
- **Hospitalization:** **69% fewer** report being “hospitalized for mental health care (Past 30 days)”
- **Inpatient SUD:** **82% fewer** report being in “inpatient substance use disorder treatment (Past 30 days)”
- **ER Visits:** **57% fewer** adult report that they have “utilized an emergency room for behavioral health issues (Past 30 days)”
- **Social Connectedness:** **54% of adults had an increase** in social connectedness.

# Resources for Families on SAMHSA.gov

## Resources for Families Coping with Mental and Substance Use Disorders

<https://www.samhsa.gov/families>

## Mental and Substance Use Disorders in Families: Multimedia Resources

<https://www.samhsa.gov/families/resources>

[Family-to-Family Peer Support: Models and Evaluation at the Family-Run Executive Director Leadership Association \(FREDLA\) – 2012 \(PDF | 447 KB\)](#) shares diverse organizational models, discusses training and certification of peer support workers, and offers tips for measuring outcomes.

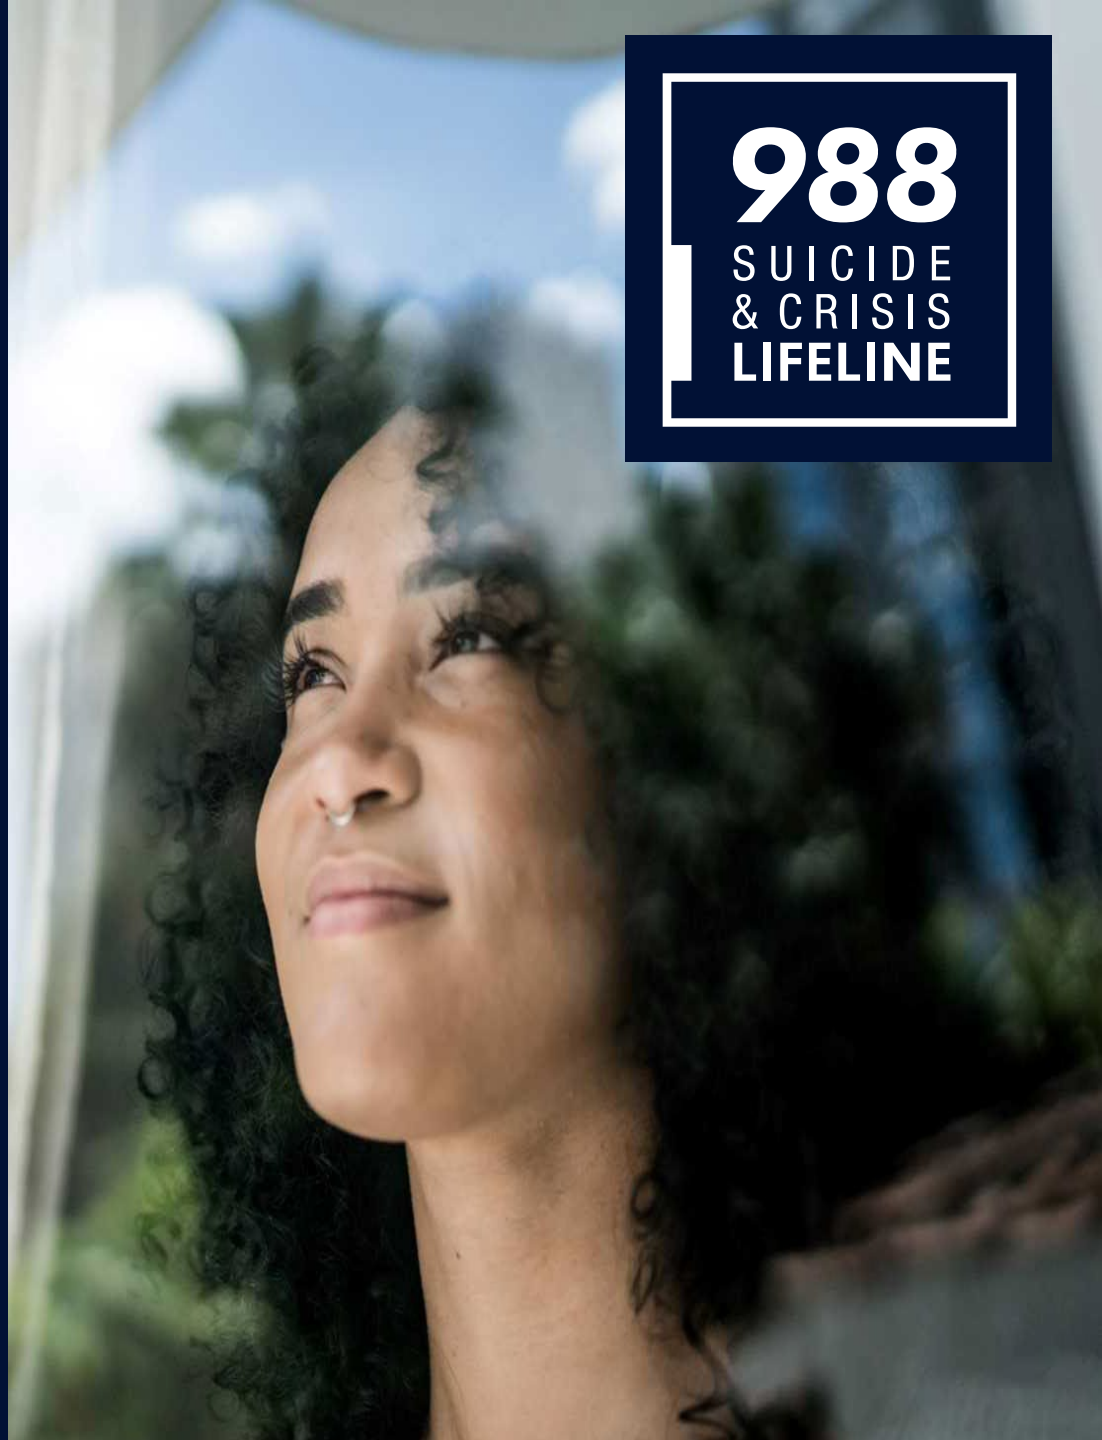

July 16 marked our country's transition to 988 as the easy-to-remember number to reach the existing National Suicide Prevention Lifeline.

988 offers 24/7 access to trained counselors who can help people experiencing suicidal, substance use and other mental health crises.

Unprecedented federal resources invested in scaling up crisis centers to support this transition.

Substantial increase Lifeline calls, chats, and texts answered, and answered more quickly, even while volume has increased.

Long-term success depends on state and territory support and collaboration.

A woman with dark curly hair is looking out a window. The background shows a bright, sunny day with green foliage and a blue sky with white clouds. The woman has a nose ring and is looking upwards and to the right.

**988**  
SUICIDE  
& CRISIS  
LIFELINE

## A transformative moment for the crisis care system in the U.S.

### Short-term goal

A strengthened and expanded Lifeline infrastructure to respond to crisis calls, texts, and chats anytime

### Long-term vision

A robust system that provides the crisis care needed anywhere in the country

**NEED TO TALK?  
WE'RE HERE TO HELP.**

### **988 Suicide & Crisis Lifeline**

[988lifeline.org](http://988lifeline.org)

988 offers 24/7 access to trained crisis counselors who can help people experiencing mental health-related distress. That could be thoughts of suicide, mental health or substance use crisis, or any other kind of emotional distress. People can call or text 988 or chat [988lifeline.org](http://988lifeline.org) for themselves or if they are worried about a loved one who may need crisis support.

### **SAMHSA's National Helpline [1-800-662-HELP \(4357\)](tel:1-800-662-HELP)**

[www.samhsa.gov/find-help/national-helpline](http://www.samhsa.gov/find-help/national-helpline)

Also known as, the Treatment Referral Routing Service, the Helpline provides 24-hour free and confidential treatment referral and information about mental and/or substance use disorders, prevention, and recovery in English and Spanish.

### **Disaster Distress Helpline [1-800-985-5990](tel:1-800-985-5990)**

[www.samhsa.gov/find-help/disaster-distress-helpline](http://www.samhsa.gov/find-help/disaster-distress-helpline)

Stress, anxiety, and other depression-like symptoms are common reactions after any natural or human-caused disaster. Call this toll-free number to be connected to the nearest crisis center for information, support, & counseling.

### **Veteran's Crisis Line**

Dial 988 and then press 1

Connects veterans (families and friends) in crisis with qualified, caring VA responders through a confidential, toll-free hotline, online chat, or text.

### **Drug-Free Workplace [1-800-WORKPLACE \(967-5752\)](tel:1-800-WORKPLACE)**

[www.samhsa.gov/workplace/resources/drug-free-helpline](http://www.samhsa.gov/workplace/resources/drug-free-helpline)

Assists employers and union representatives with policy development, drug testing, employee assistance, employee education, supervisor training, and program implementation.

*Renee M. Calhoun, LMFT  
Site Director  
Soar Corporation*

# SAMHSA Pennsylvania Activities – Becoming Trauma Informed

**pennsylvania**  
DEPARTMENT OF HEALTH

**Southeast MAT Summit, November 1, 2019**

**pennsylvania**  
DEPARTMENT OF DRUG AND  
ALCOHOL PROGRAMS

**Northcentral MAT Summit, November 7, 2019**

**PennState**

**Allegheny MAT Summit, November 14, 2019**

## 12.6.17 Pennsylvania Idea for Implementation MAT Expansion Convening

### THEN

- 1. Idea:** Health Systems develop an Emergency Department and inpatient handoff pathway for next day MAT.
- 2. Collaborators:** DHS(Department of Human Services), DDAP(Department of Drug and Alcohol Programs), Health System, Emergency Departments, Treatment Providers
- 3. Resources Existing:** Centers of Excellence Funding, Medicaid, DDAP Warm Handoff  
**Needed:** Medicaid money
- 4. Timeline:** COE (Centers of Excellence) learning network 01/2018, Inpatient/ED pathway 03/2018- 4 operational by 05/2018 and 4 more by 09/2018

### NOW

#### Recent developments supporting increased access to MAT in Pennsylvania

##### Warm Hand-Off Implementation

- Began in hospital emergency departments – expanding to other inpatient hospital settings
- Implemented in 170 Pennsylvania hospitals, 95% hospitals in the commonwealth
- A total of 16,649 warm handoff encounters from January 2022 to August of 2022
- Almost 2,000 referrals included MAT

(10.19.22)

# Children's Service Center, Wyoming Valley August 21 Award

Received SAMHSA Certified Community Behavioral Health Clinic grant – is now in 2<sup>nd</sup> year of their grant

1. Provides mental health and substance use disorder services across the lifespan in two counties: Luzern County serving a more urban/suburban population and Wyoming County serving a more rural area.
2. As primary service provider for Luzerne + Wyoming Counties' Public MH + SUD system, CSC's CCBHC expansion grant seeks to address 3 major problems:
  - a) insufficient access to behavioral health services,
  - b) inadequate availability of evidence-based approaches, and
  - c) the absence of an integrated approach to behavioral health and primary health care in the two counties.
3. Children's Service Center
  - a) expanding its services to meet the certification requirements for CCBHC, and
  - b) to improve access and quality of care.
  - c) the CCBHC will leverage grant funds to fully integrate behavioral health and primary care services in a single location.

# Children's Service Center, Wyoming Valley CCBHC (#2)

1. Clients Served 661
2. Partners:  
local hospitals, The Catholic Youth Center, Northeast Counseling center and many others
3. May 2022:  
expanded psych rehab program with youth specialized therapy/svcs  
centralized admissions dept expanded care coordinator and intake staffing  
admissions process is streamlined
4. Oct 2022: Opened Conyngham Primary Health Care Center
5. Services Offered:  
full range of behavioral and now physical health services  
pharmacy on site

**Outcome: A single access point for consumers seeking services with better patient care and more timely access to services.**

# 1.30.2020 University Of Penn Addiction Medicine Partnership Quarterly Summit

# Vision for White Coat Narcan Initiative

White Coat Ceremony symbolizes future physicians' entrance into the medical field

Beginning of the first year, when many students have just moved to Philadelphia

Vision = provide Narcan to every entering medical student in Philadelphia in the pocket of their new white coat

Equips students to save lives in their new community

Future physicians think about harm reduction from first day of their careers

Daniel Stokes, MD  
Penn Med '21

# Philadelphia College of Osteopathic Medicine (PCOM) Medical Student White Coat Naloxone Initiative

*"I had several students receive their Naloxone today and say that a friend or a close family member was lost as a result of overdose and told me how much they appreciated that our club was working to provide medical students with Naloxone. I'm sure there's even more who kept silent. I'm so proud to be a part of this process." Caitlin Deubell*

# NEW! Communities Talk: Underage Drinking Prevention Podcast Series

PODCAST

COMMUNITIES TALK TO PREVENT ALCOHOL AND OTHER DRUG MISUSE

Tune into SAMHSA's new pilot podcast series to learn how CBOs and IHEs are advancing substance use prevention in their own communities!

The series showcases **prevention success stories** from stipend recipients in **15- to 20-minute episodes**.

Guests will share best practices, which we hope will inspire you to participate in prevention in your own community.

Check out [www.stopalcoholabuse.gov/communitiestalk/successstories/podcasts/](http://www.stopalcoholabuse.gov/communitiestalk/successstories/podcasts/) for more.

Will be available on the **Communities Talk website** and on podcast hosting platforms such as **Spotify, Apple Podcasts, and Google Play.**

# Why      When      How

*In conclusion, I hope now you understand the WHY WHEN AND HOW to use resources on SAMHSA.gov, your critical role, and that by working toward understanding and meeting the needs of individuals with mental health and substance use disorders will improve and save lives.*

*You can decrease the worry – trauma - and possible death of your loved ones or the citizens you serve, by taking advantage of the wide array of resources.*

What idea would *you* like to implement?

# Thank You

SAMHSA's mission is to reduce the impact of substance abuse and mental illness on America's communities.
